KS4

For English Language, students will be assessed on their ability to understand and respond to a range of texts, and to write effectively and accurately using Standard English. English Literature focuses on developing students' abilities to critically analyze and evaluate literary texts, and to write analytically about their reading in relation to Power, Identity and morality.

Structure Analysis

KS5

Study of these texts is enhanced by the study of critical theory in the non-exam assessment. In this way, students can gain a solid understanding of how texts can be connected and how they can be interpreted in multiple ways so that students can arrive at their own interpretations and become confident autonomous readers.
