Sociology Curriculum learning journey Final Exam St Michael's Catholic School Social change and social Religiosity in the Year 13 final exams - 3 stability, and religious contemporary world, papers (2 hours each) beliefs, practices and including the nature and Revision and exam extent of secularisation in organisations Use your Sociology preparation a global context, and A-level to get into globalisation and the degree course or career such as Teaching, Social spread of religions work, Law, Police etc. Be a sociologically literate young person systems around you. Knowledge check test Religious organisations i.e. cults, sects, Crime and Deviance denominations, churches Foster a critical awareness New Age movements Globalisation and crime in contemporary of contemporary social preparation society; the media and crime; green Revision and exam processes and change crime; human rights and state crimes preparation To what extent can Sociology **Beliefs in society** can be regarded scientific? Social distribution of crime and Control, surveillance, prevention Different social groups <u>Mock exam – December</u> deviance by ethnicity, gender and and punishment, victims, and and religious/spiritual social class, including recent the role of the criminal justice organisations and patterns and trends in crime system and other agencies movements, beliefs Debates about and practices subjectivity, objectivity and value freedom. **Theory and Methods End of Year 12 Mock** Relationship between Extension of research methods Testing all year 12 content Sociology and social covered in Y12 and more Revision and exam policy preparation Year Knowledge check test 13 Concepts: consensus, conflict, Theoretical, structural and social action theories, practical and Sources of data: modernity, post-modernity ethical questionnaires interviews, participant considerations influencing and non-participant Differential educational choice of topic, Methods in context observation, Relationship between achievement of social groups choice of experiments, documents Application of sociological positivism, interpretivism Educational policies, by social class, gender and and official statistics method(s) and research methods to the and sociological methods; Knowledge including policies of ethnicity in contemporary study of education the conduct of the nature of 'social facts' check test selection, marketisation society research and privatisation, and policies to achieve greater equality of opportunity and outcome. Educational achievement of social groups by social class, gender and Gender roles, ethnicity in contemporary society domestic labour What is Sociology? and power Introduction to Sociology with **Education** relationships key focus on building strong The role and functions of the within the family foundation of knowledge relating education system, including its in contemporary to key concepts that underly Arelationship to the economy society. Level course. Establish and to class structure assessment objectives. Year Knowledge check test

Department Intent: Shape young Sociologists who understand and analyse the world around them and allow them to gain knowledge and understanding of how and why society works in the way that it does. The curriculum shapes young students' ethical and moral understanding of equality and justice, encouraging students to become intellectually active young individuals who develop opinions about society rather than being passive social actors within it.

Families and Households

Rrelationship of the family to the social

structure and social change, with particular

reference to the economy and state policies

Diversity of contemporary

family and household

structures.

Demographic trends in the United

Kingdom since 1900: birth rates,

death rates, family size, life

expectancy, ageing population,

and migration and globalisation
